For details on available colors and effects for each article within the product groups, please see the product matrix of the respective item in the Lighting Collection.  
For color and effect samples, please see the corresponding color chart.

Special Requests will be checked individually; we reserve the right to reject enquiries for production reasons.

Colors and effects can appear different when illuminated with different light sources. Swarovski uses standard light source D50 for color decision and comparison. Slight changes in shades are unavoidable. Colors may vary according to cut and foiling.

The composition of Advanced Crystal is compliant with regulatory industry norms and laws regarding the restriction or prohibition of certain substances in the most relevant segments of our customers.
