

SWAROVSKI

CERTIFICATE OF COMPLIANCE

Swarovski Professional hereby confirms
that products contained in the

Crystals from Swarovski Assortment

as of January 1, 2020

do not contain any substances of very high concern (SVHC)
above 0.1%, or contain substances listed in Annex XIV as from the sunset date.

Furthermore, Crystals from Swarovski products
are in compliance
with applicable restrictions and prohibitions contained in Annex XVII
of the European Parliament and Council Regulation

REACH 1907/2006/EC

regarding the registration, evaluation,
authorization and restriction of chemicals.

Swarovski reserves the right to modify products and articles to which referred to in this certificate. Furthermore, mentioned and applicable laws and regulations are subject to changes. Therefore, Swarovski regularly publishes an updated version of this certificate, valid at the date of publication. References to compliance with such regulations stated above are based on their requirements as of current date. Anyone seeking an in-depth understanding of the provisions should read the various laws in its entirety and/or seek advice from a legal counsel. The customer shall be obliged to request and observe the valid version of the Product Information before (re)ordering and using the products. For the latest information on product compliance, please refer to swarovski.com/professional
