CRYSTAL PALACE

LUMINOUS REFLECTIONS

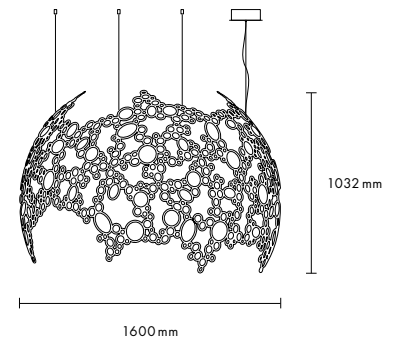

LUSTROUS AURA

BY TORD BOONTJE

Artfully positioning his organic crystal components within a dome-shaped framework design, Boontje fills his chandelier with air and light, creating delicate illuminations that shine with a subtle brilliance. Lustrous Aura is suitable for larger spaces and can be configured as a dome or a full sphere.

TORD BOONTJE, founder of Studio Boontje, trained in industrial design at the Design Academy in Eindhoven and the Royal College of Art in London. His work places equal emphasis on emotion and design, drawing on the belief that modernism does not mean minimalism and that contemporary design need not forsake tradition.
